Exhibitor ~ Sponsorship
47th Annual Congress
Presented online jointly by IVAS and AAVA

Join IVAS and AAVA as an Exhibitor or Sponsor and get your company front and center for the 2021 online Congress! Your company will be listed in the Online Congress Exhibition Hall and the Congress Proceedings. Your company logo and a short description will be displayed with a clickthrough link to your website. Here you can highlight your business and offer specials to the online Congress attendees from around the world.

As a Speaker Sponsor for one hour you will automatically be an Exhibitor with the Exhibitor package and more! The first slide of the speaker’s presentation will have your company logo and contact information. (Sponsorship slide created by IVAS) You will also get a half page ad in the Congress Proceedings Exhibitor Section! Your company will be seen by each attendee both during the live online presentation and the recordings that will be available through December 31, 2021. That is four months of advertising for just one hour of sponsorship!

As a Speaker Sponsor for two hours you will receive all the above benefits and more! The moderator for the speaker you sponsor will mention your sponsorship and thank you for sponsoring the speaker. You will also get a full page ad in the Congress Proceedings Exhibitor Section!

Deadline for Opportunities is August 1, 2021
